

Getting Ready for 2013

JO5 – Pension Income Options Programme

Overview

With only three sittings per year for Diploma exams it is vital that financial advisers use their time and opportunities effectively.

This learning programme has been specifically designed by learning professionals who know how to make knowledge stick together with subject matter experts who know the topic backwards and have huge experience of the subject. The outcome is a study programme that is designed to give you what you need to know in a way you will remember it.

Who will benefit?

Anybody who is planning to take the JO5 Pension Income Options exam.

Your Investment

This programme provides 12 months learning and support, including:

- ✓ Pre workshop study planner
- ✓ 2 staggered one day interactive workshops, including lunch and refreshments held on Saturdays
- ✓ 12 months access to Illuminate Development's online learning forums, including additional learning materials and ongoing support from Illuminate's programme tutors.

The cost of this programme is just £299 plus VAT per person.

Programme content

The programme is spread over two separate one day workshops with study guidance before and after and covers the knowledge required to achieve success with the end result in mind, including:

A study timetable to help you study the right content at the right time for the workshops

Logical process for studying in order to increase the chances of exam success

A knowledge MOT in workshops where gaps in key areas are fixed

A tested approach for the exam itself

Past exam questions to work through in a workshop environment

Key hints and tips so you need to remember less but will know more

All terminology is demystified so study is easier and marks aren't lost
